- Camp Hyatt activities for children

Breathtaking, with miles of pristine white sandy beaches curving picturesquely around the bay on the Gulf of Thailand, Hua Hin is a tropical haven with convenient access by jet and only a short drive by car from Bangkok. An idyllic spot for a relaxing weekend getaway or an extended visit.

Hua Hin began to prosper decades ago when it became the resort of choice for the Thai Royal family to spend long months at the summer palace. Its charming environments, friendly people and abundance of seafood soon became the magnet for other holiday makers,

making Hua Hin a year-round, much sought after destination.

Places of interest include Takiap Hill where a magnificent statue of Buddha stands facing the sea with a temple clinging to the clifftop behind. Or the Marueka-thaiwan, a former royal summer retreat built of teakwood in the colonial-style and complete with a private

theatre. Explore the nearby Sam Roi Yod National Park or take the more adventurous trip further out to the Pa-La-U waterfalls. For golf enthusiasts, Hua Hin is famed for its five world class golf courses, all within a short drive from the hotel.

Situated right on a prime stretch of a 200 metre-long beachfront, **Hyatt Regency Hua Hin** is an inviting resort with cluster-style low rise accommodation set among beautifully landscaped gardens and inter-connecting lagoon pools.

Guestrooms are fresh and airy with light-toned wood furnishings enhanced by original artwork and a private balcony, while garden level rooms feature an additional living area. The spacious bathrooms have a sliding window which opens into the bedroom, and are complete with amenities and a separate shower stall. For the discerning travellers, the **Regency Club** wing features a private swimming pool and Lounge for the exclusive use of Regency Club guests.

Hyatt Regency Hua Hin offers a selection of innovative restaurants and culinary delights: You can dine al fresco or indoors at **Figs-Mediterranean Restaurant and Bar** where seafood specialties and Mediterranean flavours are prepared in an impressive show kitchen.

**Talay Thai**, a unique restaurant, also featuring indoor and open-air dining, is set within three inter-connecting beachfront pavillions. The specialty here is home-style Thai cuisine and popular seafood dishes. Casual and fun is **You & Mee Noodle Shop and Poolside Bar** for authentic Asian noodles and wholesome snacks throughout the day. And, a favourite gathering place for drinks until late into the evening, is our cosy corner in the main lobby, **The Fountain Lounge**.

Hyatt Regency Hua Hin is an ideal venue for meetings and conferences. Our **Grand Ballroom**, with an open ceiling tapering up to the Thai style roof creates a lofty dimension conducive to the most innovative decorations for galas and themed events. It has a capacity for 400 persons for a reception, plus a spacious Pre-function area. Facilities include three other function rooms that can take from 40-240 persons, as well as a Boardroom, Drawing Room and areas for outdoor events.

Spend the day sailing, windsurfing or leisurely canoeing around the bay or go on an exciting day-cruise to nearby islands. Enjoy a round of golf at one of the spectacular courses in the vicinity, play an energetic game of tennis, or bicycle along our pristine beach. Children will have fun with the many Camp Hyatt activities, teens can enjoy Cyber Zone, an electronic games room, and everyone can revel in the waterslide at our free-form swimming pools.

After a day of strenuous outdoor activities, you can indulge in a traditional Thai massage, steambath or revitalising holistic treatment at our health and fitness centre, which also includes a well-equipped gym. What better way to energize both body and soul at Hyatt Regency Hua Hin - the resort where you are guaranteed to relax, recharge and re-invigorate.
